

Nevada Gaming Statistics: The Last Six Months

Trends for Casino Revenues, December 2024 to May 2025

This report collects top-line results for the past six months in five Nevada reporting areas. With this perspective, the current direction of a variety of sectors in the state's gaming market should be clear. In addition to statistics for overall, slot, and game revenues, it also includes year-to-year changes in each of those categories and slot hold, an important measure of value returned to gamblers, as well as the totals for the previous six months.
