

CLARK COUNTY GAMING FOOTPRINT, 1963-2022

TOTAL LICENSES, GAMES, TABLES, AND SLOTS

This report charts the changing footprint of the gaming industry in Clark County. Beginning in 1963, we have an unbroken series of records detailing the number of licenses (places where gambling is permitted to be conducted), games (table games and bingo, keno, and race and sports book operations), tables (non-house-banked games), and slot machines.

For almost the entire period, we have information on the breakdown of tables; although now all tables are poker games, the game of pan was popular for many years. Starting in 2013, interactive poker sites are also tracked.

Since 1983, we can track the breakdown of slot machines in restricted locations (15 machines or fewer) and nonrestricted ones (16 or more machines and other games).
